What we do & how we charge

We are a financial planning business, focussed on helping you understand and plan for your financial future. This information is designed to give you an idea of:

- What we do and how we do it
- What it is likely to cost and how you can pay us

This document provides details about our services and how we charge, so it's important that you read it fully. If there's something you don't understand please ask us to explain it.

Our Services

Whatever financial decisions you have to make, the first step towards making the right decisions is to establish a clear understanding of your needs. At our first meeting we will gather information about you to help define your needs and priorities.

Our services include:

Mortgage Advice: Whether you're buying your first home, moving home or looking to re-mortgage, our mortgage services are designed to provide you with the best mortgage solution for your needs.

Protection Planning: Providing advice on the best way forward to protect your mortgage, your family and your financial future

Our Advice

Mortgage Advice

We advise on mortgages for business and non-business purposes and first charge and second charge loans. We advise on a comprehensive range of mortgages from across the market, but not deals that you can only obtain by going direct to a lender. Our advice will be based on the most suitable mortgage product included within the range available to intermediary firms. If there is a particular mortgage product that you are aware of which is available directly from a lender that you wish us to review and comment on, we are happy to do so. We may charge you a fee for providing advice in relation to this but would agree this with you at the time.

Protection Planning

Where we provide protection planning services we are an insurance intermediary and will provide advice which is based on a fair and personal analysis of the market

Alternative Finance Options

You should note that where we provide services in relation to increased borrowing on an existing mortgaged property there may be alternative options available to you that may be more appropriate. For example:

- You may be able to obtain a further advance from your existing lender, or obtain an unsecured loan for the additional funds.
- Where your existing mortgage is a first charge against the property, a second charge mortgage may be available and
- Where your existing mortgage is a second charge a first charge loan may be available.

Our Charges

Mortgage Advice

Our fee options for providing mortgage advice, are as follows:

1. No fee is charged.
2. A fee of £389 is payable at the outset when you apply for a mortgage. We will also be paid a procurement fee by the lender
3. If for any reason no procurement fee is payable by the lender, a fee of £389 plus an additional fee of 0.5% of the loan amount applied for is charged. We may receive a procurement fee from the mortgage lender in addition to the fee we have charged you, which will be disclosed on the Key facts Illustration you will receive, relating to the mortgage recommended. We will refund any procurement fee paid to us by the lender, or offset this against any fee we charge you.

An example based on a £100,000 mortgage:

Procurement fee £500

Our fee £389 + £500 = £889 which is charged to you.

There may be additional costs and charges related to the mortgage product we recommend. You'll receive a European Standardised Information Sheet / key facts illustration when considering a particular mortgage which will tell you about any fees relating to it.

Refund of fees

If we charge you a fee and your mortgage does not go ahead, the fee may or may not be refunded, depending upon the circumstances. This will be advised to you at the time.

Protection Planning

Our advised protection planning services are suitable if you are looking for the best way to protect you, your family or your business through products such as Critical Illness cover, Private Health Insurance and Life cover. We advise on non-investment protection products e.g. Term Assurance, Income Protection and Critical Illness from a range of Insurers.

You can pay for our advised protection services by:

1. Fee (as agreed with adviser)
2. Commission (where this is available)
3. A combination of fee and commission

Where we are paid by commission we will tell you the amount before we arrange any plans

Our Obligations

Our recommendations

We will confirm to you in writing the basis of our recommendations (our suitability report). We will also provide you with a European Standardised Information Sheet (ESIS) key facts illustration (KFI) which give a description of the costs and features of the mortgage / product that we are recommending.

You may ask us to provide you with additional KFIs or ESISs for any mortgage / product for which you are eligible.

Financial crime

We are obliged to put in place controls to prevent our business from being used for money laundering and other forms of financial crime.

We will verify your identity before undertaking any business with you. To do this we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning. The check may leave a 'footprint' on your credit file but it will not affect your credit rating.

Conflict of interests

Although we will always try to act in your best interests there may be situations where we or one of our other clients has some form of interest in the business being transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your own interests, we will write to you and ask for your consent to proceed before we carry out any business for you. We will also let you know the steps we will take to make sure you are treated fairly.

We have a conflicts of interest policy. If you want to see a copy of it please ask us.

Communicating with you

Our normal ways of communicating with you are by telephone, post, e-mail, SMS text message or in person. Our communications will be in English.

We may ask you to confirm your instructions to us in writing as this helps to avoid any future misunderstandings.

Where you have consented for us to do so, we may contact you in the future by means of an unsolicited promotion (by telephone, email or post) should we wish to discuss the relative merits of a particular mortgage product or service which we feel may be of interest to you.

Your Obligations

This section sets out your obligations in agreeing to receive our services.

Providing information about your circumstances

Our advice will be based on the information that you give so it is important that you provide us with accurate and up-to-date information when we request details about your circumstances and objectives. This will allow us to provide you with the appropriate advice. If you limit the information provided it could affect the suitability of the advice we give.

Payment for services

By signing this agreement you are agreeing to pay the charges for our services as set out in the fee agreement provided. The method of payment will be confirmed by your adviser.

In some limited circumstances (for protection planning business) we may receive a commission payment from a product provider and the commission payment is offset against the charges you owe us for our services. If the commission payment relates to a regular contribution policy and you stop paying premiums on that policy we may be obliged to refund the commission received back to the policy provider. In such cases, we reserve the right to request the full payment of any outstanding balance of charges for our services.

Legal and accounting advice

We are not qualified to provide legal or accounting advice or to prepare any legal or accounting documents. This means that the onus is on you to refer any point of law or accountancy that may arise during the course of discussions with us, to a solicitor or accountant.

- You or we may terminate this agreement at any time, without penalty.
- Notice of termination must be given in writing and will take effect from the date of receipt.
- Any transactions already initiated will be completed according to this agreement unless otherwise agreed in writing.
- You will be liable to pay for any services we have provided before cancellation and any outstanding fees, if applicable.

Amendments

From time to time it may be necessary to amend the terms set out in this agreement where it's not necessary to issue a new agreement. If this is the case we'll write to you with details of the changes at least twenty eight business days before they are due to take effect.

Product cancellation rights

Full details of any financial products we recommend to you will be provided in the relevant product information you will receive. This will include information about any product cancellation rights along with any other early termination rights and penalties.
